

SOUTH VALLEY PARK

N8117 940th Street

PARK DESCRIPTION:

South Valley Park is a 2.15 acre (2.86 acres including road easement) Neighborhood Park located on the South end of the South Valley Sub-division. The park features a sandlot ball field and open space with a soccer goal. The park creates a link between 940th Street and 950th Street. This provides access from South Valley sub-division to Knollwood sub-division, Knollwood Park, River Falls High School and the Hockey arena. This trail creates a 1 ¼ mile loop: Existing West entrance of park to (right)950th Street to (right) Lazy Lane, to (right) Wasson Lane, to (right) South Valley Street back to the East entrance of park. Maple trees, spruce trees and sand cherry shrubs have been planted in the park.

SUMMER ACTIVITIES:

1. Sandlot ball field
2. ½ soccer field with goal
3. Hiking/walking/jogging-trial to connect 940th Street and 950th Street.

WINTER ACTIVITIES:

1. Hiking/walking/jogging.
2. Cross Country skiing/snow shoeing.

DIRECTIONS FROM DOWN TOWN RIVER FALLS:

From Downtown River Falls, travel South on South Main Street, turn left (East) on Cemetery Road at round-about, take second exit South Wasson Lane. Follow South Wasson turn right onto 940th Street (South Valley Drive) proceed South to end of road park is on the right.

950TH STREET ENTRANCE

From Downtown River Falls, travel South on South Main Street, turn left (East) on Cemetery Road at round-about, take first exit South Wasson Lane follow South Wasson turn right to 950th Street (Knollwood Drive) proceed South to end of road the park is on the left.

CAPITAL IMPROVEMENTS:

- Sandlot ball field.
- Open space with soccer goal.
- Bird houses will be added to the park.
- Add two picnic tables.
- Additional trees will be planted.

SUGGESTED FUTURE PARK IMPROVEMENTS:

- Playground set.
- Open space for fields.
- Parking area.
- Acquire land adjacent to the park as it becomes available.

ACKNOWLEDGEMENTS:

The Town of River Falls and the Park and Recreation Committee want to extend their appreciation to South Valley residents for their many efforts in the development, care, and maintenance of this park. Thanks to Jonas Mork, for his time and effort in the up keep and mowing of the sandlot ballfield. A special thank to Jeff Bump and the River Falls Soccer Association for their generous donation of a soccer goal and net. The concerted efforts of these local residents and area associations have helped to make this park possible.
